

Highlights 2016

From our core principles

'Securing sustainable livelihoods' and
'Justice and dignity for all'

we aim for

Empowered people that build sustainable livelihoods within a society that upholds their rights. We focus on small scale farmers and agribusiness linking them to markets.
In 2016 our 101 projects contributed to

more prosperous livelihoods

of 450,000 people in 50 countries.
